Welcome

Welcome and thank you for choosing to buy your social welfare comprehensive policy from Markel.

This document, the schedule and any endorsement(s) attached form your policy. This document sets out the conditions of the insurance between **you** and **us**. Please carefully read the following and keep them in a safe place:

- this document,
- the schedule, and
- any endorsements that apply

The insurance contract

In return for payment of the premium shown in the schedule, **we** agree to insure **you** as described in each section of this document, subject to the terms and conditions contained in or endorsed on this policy.

The cover provided

The cover provided depends on which sections of cover you have chosen.

It is important that:

- **you** check that the sections you have requested are included in the schedule
- **you** check that the information **you** have given **us** is accurate – see 'our reliance on the information provided to us' in the 'important information' section
- **you** notify **your** broker as soon as practicable of any inaccuracies in the information **you** have given **us**
- **you** comply with **your** duties under each section of cover and under this policy as a whole.

Exclusions

Your policy is subject to exclusions and these tell you what is not covered.

Some exclusions apply to this policy as a whole and are found under 'what is not covered (general exclusions)'.

There are also exclusions that apply to specific sections of cover. These are found in each section of cover under the heading 'what is not covered'.

The meaning of highlighted words

Some of the words in this policy have a special meaning, **we** have highlighted these words in bold print.

Some of these words have the same meaning throughout this policy, these will be found under the section 'words with special meaning that apply throughout this policy (general definitions)'.

Other words only have a special meaning that is used in a specific section of cover or the meaning may vary from one section to another. The meaning of these words is found in the list of 'words with special meaning (definitions)' in each section of cover.

Important information

How to make a claim

If **you** want to make a claim under this policy, either:

- contact **your** insurance broker, or
- contact **us** by
 - writing to our claims team at Markel (UK) Limited, Verity House, 6 Canal Wharf, Leeds LS11 5AS, or
 - phoning our claims team on 0345 355 2227, or
 - email our claims team – claimsuk@markelintl.comquoting your policy number and the name of the policyholder shown in the policy schedule.

Things you must do

You must comply with the claims conditions. These can be found under 'claims conditions that apply to this policy as a whole'.

If **you** fail to comply with these conditions **we** may not pay **your** claim or any payment could be reduced.

Fraudulent claim

If **you** make a fraudulent claim under this policy:

- **we** are not liable to pay the claim, and
- **we** may recover from **you** any sums **we** have paid to **you** in respect of the claim, and
- **we** may write telling **you** that **we** are treating the contract as having been terminated with effect from the fraudulent act.

If **we** do write to **you** telling **you** that **we** are treating this policy as having been terminated:

- **we** will not be liable to **you** in respect of any relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under this policy (such as a loss, the making of a claim, or the notification of a potential claim), and
- **we** need not return any of the premium paid.

If this policy provides cover for any person who is not a party to the contract of insurance ('a covered person', for example a **officer** or an **insured person**), and a fraudulent claim is made under this policy by or on behalf of a covered person, **we** may exercise the same rights as above as if there was an individual contract of insurance between the covered person and **us**. However, the exercise of any of these rights shall not effect the cover provided under this policy for any other person.

In respect of any fraudulent claim under section of cover 3 (management liability liability), **we** will not exercise **our** right to treat this policy as having been terminated.

Our reliance on the information provided to us

In deciding to accept this policy and in setting the terms and premium **we** have relied on the information **you** have given **us**. **You** must take care when answering any questions **we** ask by ensuring that all information provided is accurate and complete.

If **you** become aware that information **you** have given **us** is inaccurate **you** must inform **us** as soon as practicable.

The information **you** have provided us constitutes **your** fair presentation of risk.

A 'fair presentation of the risk' is one

- which discloses to **us** every material circumstance which **you** know of or ought to know of, or
 - gives **us** sufficient information to put **us** on notice that we will need to make further enquiries for the purpose of revealing those material circumstances, and
 - which makes that disclosure in a manner which is reasonably clear and accessible to us

and

- in which every material representation as to a matter of fact is substantially correct and every material representation as to a matter of expectation or belief is made in good faith.

A 'material circumstance' is one that would influence **our** decision as to whether or not to agree to insure **you** and, if so, the terms of that insurance. If **you** are in any doubt as to whether a circumstance is material **you** should disclose it to **us**.

If **you** fail to make a fair presentation of risk there are a number of remedies available to **us** which are set out in general condition 7 (breach of the duty of fair presentation) in the section 'conditions that apply to this policy as a whole (general conditions)'.
We will write to **you** if **we** intend to take one of these remedies.

- if **we** cancel this policy **you** will be entitled to a refund of any premium paid, subject to a deduction for any time for which **you** have been covered. This will be calculated on a proportional basis. For example, if **you** have been covered for 6 months and the period of insurance shown in the policy schedule is for 12 months, the deduction for the time **you** have been covered will be half the annual premium.
- if **you** cancel this policy within the cooling-off period **we** will return to **you** all of the premium paid without any deduction.
- if **you** cancel this policy outside the cooling-off period **you** will be entitled to a refund of any premium paid, subject to a deduction for any time for which **you** have been covered. This will be calculated on a proportional basis.

 - **we** may treat this policy as having been terminated from the time when the variation was concluded, and

 - if **we** would not have agreed to the variation at all **we** may treat the contract as if the variation was never made and will return any extra premium paid
 - if **we** would have agreed to the variation but on different terms (other than terms relating to the premium), the variation will be treated as if it had been entered into on those different terms from the outset

in addition, if either

- **we** would have increased the premium by more than **we** did or at all, or
