ECIC
Specialist Underwriters

Electronic security

ECIC is a specialist UK insurer providing insurance solutions for the contracting market.

Our policy is targeted at accredited electronic security system contractors engaged in domestic, commercial and industrial environments. Contractors can undertake contracts that include the design, supply and installation of electronic security products such as intruder alarms, CCTV, access control, and fire alarm systems.

Policy cover offers:

- Employers' Liability
- Public and Products Liability
- Efficacy
- Professional Indemnity
- Contractors' All Risks
- All Risks Property
- Business Interruption
- Money
- Goods in Transit
- Personal Accident

The following additional extensions are available: Professional Negligence, Financial Loss, Loss of Keys, Fidelity Bonding, Defective Products Supplied and Directors' & Officers' Liability.

Why choose ECIC:

- Direct access to our team of underwriters with expertise across the electronic security sector
- Experience of working with trade associations and affinity groups
- Trade specific wording
- Highly rated in-house claims service*
- Interest free direct debit instalment facility
- Free 24 hour helpline service to provide legal advice on any business related issue
